

Hearing your requests over the past several years for an affordable rental car company that would also provide Parrot Head discounts your PHiP Board contacted all the major car rental companies to see if we could do just that, providing you with the best rates, rental flexibility and highest discounts available. We are pleased to announce Budget Car Rentals has been selected as the NEW Rental Car Company for PHiP and Meeting of the Minds (MOTM).

SO, effective immediately, if you book with Budget @ <http://www.budget.com/budgetWeb/home/home.ex?HP> for a rental in the US, Canada or Puerto Rico, you shall receive a 10% to 30% discount on your bookings. You shall always receive a 10% discount but based on factors like, time of year, location, availability, special offers etc. you may receive as high as a 30% discount.

To receive this discount all you need to do is open the Budget Rental Car home page, type in your pick-up location, dates, time of day you need the car, CHECK the "Use an Offer Code" block, then just type in PHiP's Budget Corporate Discount (BCD) number: **X097865**

We would also like to point out you can use this number for your personal business, pleasure, Parrot-Heading, whatever; it is good YEAR ROUND and good ANY TIME you find yourself needing a rental vehicle!!!!
