Party with a Purpose!

August 2015

It's 5 o'clock Somewhere, and that somewhere is Tulsa, OK!

That's right! The "5 o'clock Somewhere Bar" is open at River Spirit Casino. The bar is Phase One of the upcoming Margaritaville Casino and Hotel which are scheduled to open the last quarter of 2016.

The Bar's Grand Opening was July 2. The folks at River Spirit were gracious enough to extend an invitation to the Tulsa Parrot Heads Club. Unfortunately it was a 'limited' invite so only a few folks were able to attend.

The crowd was mostly made up of suits; Creek Nation nabobs, city councilors and Margaritaville associates.

So you can imagine how the Tulsa Parrot Head's stood out in our usual tropical/club attire. And from the looks of things - we were the only ones really

enjoying ourselves.

They provided food, drink and entertainment. The "Tall Walkers" were a troupe of people that walked on stilts and mingled through the crowd talking, joking and making balloon animals. One of them made a balloon 'beach ball' for us to knock around. But surprisingly no balloon parrot.

There were speeches, a ribbon cutting then the band started playing and people started dancing. It was a nice time. A big **Thank You** to the folks at River Spirit. Can't wait till Phase Two and Three!

Happy Hour at the 5 o'clock Somewhere Bar

Well, we just had to break-in the new "5 o'clock Somewhere Bar" at the River Spirit Casino in true Tulsa Parrot Head style. So the first Thursday after the 'Grand Opening' we had a *Happy Hour*.

The new bar area is really nice with the whole cabana theme. The big screens around the floor were all showing Jimmy Buffet concerts (new and old) and scenes from tailgate parties (*I know I've seen some of those people down in Frisco*).

About an hour or two into our happy hour the folks from radio station KVOO arrived along with Rowdy Yates and started setting up for a big contest they were having. They were giving away tickets to a Kenny Chesney concert which included a free private jet ride to and from the concert. Several TPHC members entered and five were called on to participate - Linda Bryant, Juli Cain, Carla McMillan, Larry Eberle and Dave Boyle - but unfortunately they were each eliminated one after the other. So no private jet rides for the TPHC.

If you haven't been to one of our Happy Hours try to come out next time. We always have fun and, as you can see, you never know what's going to happen.

As you can see (*above*) we had a really good turnout and we pretty much took over the place. The way the new bar is arranged they have opened up more floor space for tables/dancing.

Boley Bash

August 15th

The **Boley Bash!!** The biggest party on the Tulsa Parrot Head's Calendar. Bring a chair, swimsuit, your favorite beverage and cool off by the pool.

An assortment of smoked meats will be provided by the Boley's so bring a complementary side-dish. Plus there is plenty of beer (left over from golf tournament & still cold!) but extra is always appreciated. The festivities will begin around 4pm and end when the Boley's turn out the lights.

It's a fun event and it's for a great cause!

SPETTER'S 4th!

They did it again! Another GREAT 4th of July Party at Greg and Katy's! It couldn't have been a more perfect day for a backyard party. Although the weathermen had threatened rain it was dry and clear. Families, kids and lots of Parrot Heads filled the backyard in anticipation of Greg's huge fireworks show.

The kids shot off fireworks in their 'safe' area while the adults sprayed themselves with 'Off', mixed, mingled and clambered for Jell-O Shots. All the while keeping at least one eye on the kids.

Dinner was served and Katy's new 'Express Lane' worked like a charm - in the back out the front. Everyone got fed in record time and no one went hungry.

Then it was time for the SHOW! Greg came though as always. It was a spectacular show. At times it seemed as if Greg had choreographed it all as the fireworks matched perfectly with the beat of the music.

Thanks again Greg and Katy! Looking forward to next year.

Welcome Members!

There were no new members at the July meeting. So take this opportunity, at our next meeting, to strike up a conversation with a current member that you may not have spoken with for a while. Or, just go up to an unsuspecting TPHC member and give them a great big hug! *Get to know your club members!*

Raffle News

We raised \$238 in the July raffle which was matched by an *anonymous benefactor* (**Thank You!**) at \$119 for a total of \$357. Donation will be made to Easton Wallace a 3yo boy from Bixby who has Cerebral Palsy. His parents are trying to raise \$20k to go to Panama for his 2nd round of stem cell therapy.

I can barely remember the raffle at last month's meeting because my mind was so foggy from the HEAT!

I know there were prizes and I know people won them so I'm sure it was a great time for everyone (cept for me). (excuse the editorial)

Thank You! to all those who donated gifts: Rick and Jodie, Mitch, Carla and George McMillen, Mike Casillas, Robbie Thames, Jack Kelsey, Ron and Jeanette, Kris and Camille, Beth Dee, Jim and Jan, David and Cathy, David and Therese, Don and Carol, and Mike and Becky

WHAT THE...?

Last month's "What The...?" banner contest ended in a tie!

Vicki Eberle Vicky Courtney

Both guessed "Leap Day" which was good enough to win. Good job!

I apologize - I went a little too cerebral with the July banner. Actually the correct answer was:

Julius Caesar. The month of **July** was named after Julius Caesar and Julius Caesar invented **Leap Year** back in 45 BC (note the Roman columns in the background - a dead giveaway (so I thought)).

So be sure to check out this month's banner and see if you can figure out what the images have to do with the month of **August**. This one should prove easier (I hope). There are actually two answers to this one but if you can get just one - YOU WIN!!

The first person to figure it out and send their answer to TPHC@tulsaparrotheads.com, or tell me in person, will get their name printed in great big letters in next month's newsletter.

So get those thinking caps on!

Prayers for Parrot Heads
