## FUN LINES

**JULY  
2018**

### June Phlocking

#### Uncle Bentley's Pub & Grill

The June phlocking was at Uncle Bentley's this month. Forty-three (43) Parrot Heads attended our meeting on the Patio. Another great turnout!!!

Madam President told the owner we would have around forty (40) members, which we did) and asked them to please staff accordingly. Of course they did not listen to her. We had people waiting in line for up to thirty minutes to get a beverage. Needless to say there were some upset Parrot Heads.

The June phlocking was our final club meeting before our annual Phlocking at the Phort golf tournament. Thanks to everyone who provided donations and prizes for the tournament. You ALL did a fabulous job again this year.

While some of our phlock were dropping-off donations, others were setting-up the mini silent auction. We auctioned off some really cool stuff raising \$763 for our golf tournament charity the Tulsa Cerebral Palsy Association of Tulsa.

### July Phlocking

**July 10<sup>th</sup> 6:30 pm**

*We will be holding our July meeting  
at the*

**Margaritaville Tiki Dinning**

### Phlocking at the PHORT

The Phlocking at the Phort kickoff started on Friday evening with dinner at the Elks Lodge. Jan and Jim Wollenschlager and Don and Carol Jones had the silent auction set-up so we could begin collecting bids. Soon the games began and we started collecting money for our tournament charity Tulsa Cerebral Palsy Association.

Saturday morning started off a little warm. Volunteers started arriving at about 7:30 and began making their way to their respective holes to setup. People, we had some GREAT volunteer holes this year! Luckily there was a slight breeze which made a miserably hot day tolerable for most.

Volunteers on hole #1, the Longest Drive from the Toilet, were Gary Orton, Rick Kingery, Kim King, Art Thrasher, Mauri King, Kris Cunnane, and Sean Cunnane. Their Bloody Mary's were really YUMMY!!

# Cory Young

## Is Playing a House Concert

Cory Young is coming to George Salley's home near 41st and Yale to entertain us. The cost is \$10 per person and you should bring a side dish, chair, and beverage of choice.

The son of a NAVY Corpsman, Cory was fortunate enough to experience a childhood full of variety and culture. It is this upbringing and nearly a decade in the Nashville music scene that shapes the music he plays today. Best described as country with a little salt and lime, you'll find a mix of Island Country and Americana. You'll also find a fair dose of classic rock, and top 40 thrown in the mix with his original songwriting.

The concert will beginning at 6:00 p.m. The address is:  
3756 S Braden Ave, Tulsa, OK 74135

## 21<sup>ST</sup> ANNUAL PARROTHEAD 7<sup>S</sup> RUGBY TOURNAMENT JULY 21<sup>ST</sup>

# Boley Bash August 11<sup>th</sup> Live Music by Rick Lamb & Mark Mireles and Other Surprises!

WE WILL BE SERVING HAMBURGERS AND HOT DOGS THIS YEAR SO START THINKING ABOUT WHAT SIDE DISH OR DESERT YOU WANT TO BRING.

# Phlocking at the PHORT part II

*Continued from pg. 1* The longest drive winners were Annette Markert (women) and Jeremy Kelle (men.)

The volunteers on hole #3 were one of the winners of the "Best Decorated Hole" award this year. Mike and Erin Casillas, Robbie Thames, Amy Gray, Leighton Simmons, Jennifer Garrett, Mandy Lee, and Valerie

Stogner had variety of things for the golfers to do. Really, Bra Pong, Butt Darts, a Tiki Bar, a Spinning Shot Chair, and *Candy the Mannequin* just to name a few. They definitely had it happening at this hole. It was also the play forward hole which was run by Robbie Thames. It was a big hit with the golfers and raised quite a bit of money for our charity.

Katy Spetter, Moo Devasher, and Cindy Kramer provided those dangerous *Hurricanes* at Hole #5. This was a closest to the pin hole which Chad Hutcherson won.

Hole #6, the lake hole, had volunteers from the Wagoner Parrot Head Club. They served *Moose Milk* shots while trying to avoid golf ball attacks from the tee box on top of the hill above.

Hole #8 had a swimming pool setup to cool off the golfers and believe me they needed it! Cold towels on the golfers' neck and face was a nice touch. Becky Eagan, Stacy DeMas, and Carol Benton served *Island Girls* to the golfers. They also sold tickets for the Tiki Bar raffle which Kathleen Watts won. The Tiki Bar raffle raised \$330 for our charity. Congrats to hole #8 as they were another winner of the Best Decorated Hole.

There was a Cadillac sitting on hole #10 for one skilled golfer to win with a hole in one. Unfortunately no golfer sunk one this year, but there is always next year. Diane Fleming, Raymond Fleming, Debbie Martinez, and Roque Martinez worked this hole. They also served some delicious hoodlums. We want to thank Jack Kelsey for taking care of getting this arranged with the dealership for our tourney.

Drinko Plinko was the theme of hole #13. George and Carla McMillen and Jorja and Kristen Vermillion did an excellent job of providing rubber putter instructions, providing drinks, and managing the rubber putter hole. Drinko Plinko was also very entertaining. They were also another winner of the Best Decorated Hole. Janet Clarke walked away as the winner of the Liquor Bucket raffle which raised \$350 for our charity.

Soon you were on hole #16 where golfers found the "Sobriety Check Point". Felonies and Misdemeanors were handed out to the golfers in the form of *Shots*. Vicky Courtney, Beth Dee, Rebecca

Land, and Jennifer Hollecker patrolled this hole. Congratulations for being one of the Best Decorated hole award winners.

The other closest to the pin hole was located at hole #17. The closest to the pin winner for this hole was Shane Stogner. The lonely Still-house girl worked this hole all day by herself. What a trooper.

A **BIG THANK YOU** to all the volunteers! Without **YOU**, this golf tournament would not be possible. You raised a record amount of money at your holes this year. WOW, that's an amazing job. Also, a special thanks to Jodie Rogers for helping Cathy with the silent auction up until the point her knee gave out. A prayer was answered when Jan and Jim Wollenschlager and Carol and Don Jones stepped-up and took over where Jodie left off. We are still waiting on a couple of items to be picked-up, but we will ended-up making about \$2,100 on the silent auction.

John Hedge, Glenda and Joe Vaughn, and Kellie Heflin did an awesome job with lunch this year. The Tacos and Nachos were a big hit. The Taco Cart providing special delivery to the golfers and volunteers on the golf course during the day was a nice added touch. Thanks for taking care of our lunch. Everyone definitely appreciated it.

We also cannot forget to thank Jan Wollenschlager and Carol Jones for taking care of our Volunteers throughout the day. Making sure they had everything they needed, food, beverages, and most of all making sure they got bathroom breaks. Nice job ladies!

We had 34 golf teams this year. The golfers seemed to enjoy themselves despite the long line to sign-in and the seven hour round of golf. Thanks to all the golfers who supported all the volunteers hard work with their donations throughout the day. All money will be going to TCPA.

The first place Sandbaggers' trophy went to Tony Pryor, Bobby Catcher, Dave Neilson, and Corey Esser with a score of 56. And the biggest winners of the day, for the beloved 13<sup>th</sup> place trophy, was actually a four way tie. However with the help of an experienced golfer the tie breaker went into effect and Jack Kelsey, Mark Trotter, Tom Lydy, and Bob Roland won with a score of 66.

There was a tie for the best decorated golf cart this year. Awards went to Vicki Eberle and Kathleen Watts for their cart and then to Cindy Russell and Jan Baker for their cart.

Thanks for all who sponsored holes and those who helped get hole sponsors. We had 45 hole sponsors this year.

In the end, we had many Parrot Heads who really helped out this year and the President really appreciated **EVERYONES** help!

*And now, drum roll please.....*

We set a new fundraising record by raising over **\$15,000** this year. A check with be presented to TCPA at the *Boley Bash* on Aug 11<sup>th</sup>.

*AND, from all TPHC members, a great big **THANK YOU** and **Job Well Done** to Cathy Boley our President and Golf Tourney Chairman for another great Phlocking at the Phort!!*

# Raffle News

We raised \$167 in the June raffle. The donation went to *Broken Arrow Neighbors*. A significant number of these clients require multiple visits to Broken Arrow Neighbors to build on services that help them regain or maintain their desired level of self-sufficiency.

*The June raffle was pretty good. While there seemed to be a couple of very lucky members, overall it was pretty well balanced.*

*God saw He was getting tired,  
A cure was not to be.  
He put His arms around him,  
And whispered, "Come With Me."  
With tearful eyes, we watched him  
suffer and saw him fade away.  
Although we loved him dearly,  
We would not make him stay.  
A golden heart stopped beating,  
Small frail hands at rest,  
God broke our hearts to prove to us,  
He only takes the best.*

# ATTITUDE OF GRATITUDE

An interview with **Vicky Courtney** Submitted by **Don Jones**

**T**his month's interviewee is **Vicky Courtney** Here's a few things I learned about this Parrot Head.

**How long have you been a member of the Tulsa Parrot Head Club? Have you held an office or just a good worker bee?** I attended my first TPHC meeting October 2011, where I kept Rebecca Land captive for 2 hours and then I joined a couple months later. I have not held an office yet, but I am a Worker Bee and Master Partier.

**Are you active in any other clubs or organizations?** Sure, American Subcontractor Association, Independent Insurance Agents of Tulsa, Youth@Heart (support group for at risk youth & families), I have attended Faith United Methodist Church for 40 years and was the first wedding in the building. I remain a faithful member and adult Sunday school leader.

**Tell us a bit about yourself. Where were you "born and raised?" What high school? College? What is your "real" job?** I was born in Wichita, KS. My dad was transferred often with his company (I went to 11 elementary schools before we settled in Tulsa during 7<sup>th</sup> grade. I attended Hale High School and I graduated from TCC. I am an insurance agent and truly enjoy my career.

**Tell us a little bit about your family. Children? Grandchildren? Names, ages, and other stuff. Any thing interesting?** My mother, JoAnn Call, just joined TPHC. My daughter, Sarah, is a Captain with EMSA and has a gorgeous six (6) year old redhead girl named Ella. She is my favorite granddaughter. My daughter Heather is an international HR expert. She has 2.7 boys: Levi age four (4), Amos age one (1) and Wyatt will arrive in early October! My son, Tom Jr, has played hockey since age five (5) and has just completed his Ice Career in Arkansas. He will soon join the full-time working force...Whoo Hoo!.

**How many Buffett concerts have you attended? Where and when was the first? What was your favorite concert?** My first concert was Frisco in 2012. I have attended 11 concerts with number 12 coming up in Las Vegas, Oct 2018. My favorite is always the last one I attended -- Nashville was a blast!

**Besides "Parrot heading" do you have any hobbies? What do you do to chillax?** I love to garden, bowl, read, and scrapbook. I love live music and dancing. I Jazzercise for stress relief.

**What trait or traits in people do you like the most? What traits do you like the least?** I like people who like to be part of the solution and not part of the problem. People who like to have fun and enjoy good times. That is why I like the Parrot Heads so much.

**What is your favorite food? Favorite Beverage? Favorite Buffett song(s)?** Mexican or seafood...Margaritas and ice cold water. As far as favorite Buffett songs, whatever song is playing is my favorite for the moment.

**What trait in people do you like the most? What traits do you like the least?** I like people who enjoy life and take time to truly listen to someone else. My patience is thin for those who whine without cheese.

**If there was no more Buffett or Trop Rock music, what would be on your playlist?** Santana, Stevie Ray Vaughan, and Melissa Etheridge would be on my playlist.

**What improvements or changes would you like to see made in the TPHC?** I would love to see more members participate in the behind the scenes work as well as when we volunteer to help other groups. I think that kind of participation makes this group come alive

**All good interviews must end with a goofy question. If you could have a super power, what would it be and how would you utilize it?** I would fly...so I might show up on time.

**The next time you see Vicky, give her a big hug and a big thank you for her ongoing support of the Tulsa Parrot Heads. Phins Up!**
