Purpose!

## FUN LINES

**JULY  
2019**

### June Phlocking

#### Dead Armadillo

The June phlocking was at the Dead Armadillo brewery. Forty-five (45) Parrot Heads attended our meeting on their Patio this month. Once again, another great turnout!!!

The Dead Armadillo doesn't serve food, but Vicky Courtney arranged to have a food truck there for us. The food was delicious as there were many hungry Parrot Heads.

The June phlocking was our final club meeting before our annual Phlocking at the Phort golf tournament which you will read about later in this news

letter. Thanks to everyone who provided donations and prizes for the tournament. You ALL did a fabulous job again this year to support our charities!

### July Phlocking

July 9<sup>th</sup> 6:30 pm

We will be holding our July meeting at the

**Margaritaville Salty Bar**

(Upstairs by the Restaurant)

### Phlocking at the PHORT

I am sure everyone knows our annual Phlocking at the Phort was quite a challenge to plan this year. We had a record rain fall this spring which put the golf course at the phort under water. After many phone calls, we were lucky enough to find an alternative venue at Bailey Ranch Golf Course in Owasso, OK. They were a great alternative as they let us enjoy our unusual style of golf.

Once we had a new venue, it was a short breath of relief when we learned two weeks before the tournament that we needed an event liquor permit. We called the ABLE Commission who informed us it would take between thirty and sixty days to get the permit. Now panic set-in. They told us our only chance to get a permit before our date was to drive to OKC to file for the permit. So, Wednesday morning at 6:00am Cathy and Jodie jumped in a car and headed for OKC. They were there when the office opened,

and filled out the form. They then left hoping for the best. Luckily, a week later the permit arrived in the mail. Wahooooo!!!!!!

We kicked-off our phlocking with a pre-party on Friday evening at the American Legion. They served us delicious burgers and

fries. Before we knew it, the games began and we started collecting money for our tournament charities Tulsa Cerebral Palsy Association and Special Olympics. Thanks to Vicki and Larry Eberle and Don Jones for managing the games this year.

Saturday morning started off **VERY** warm. Volunteers started arriving at about 7:30am and they made their way to their respective holes to setup. We had some **GREAT** volunteers and volunteer holes this year!

Normally hole #1 is, the Longest Drive from the Toilet hole, but this year there was some concern about the houses on the course being hit by uncontrolled drives. In the interest of the neighbors, we moved longest drive to hole #10. Gary Orton, Kim King, Mauri King, Art Thrasher, Kris Cunnane, and Sean Cunnane served Bloody Mary's which were really **YUMMY!!**

The longest drive from the toilet winners were Vickie Eberle (women) and Lucky Rowden (men.)

On hole #1 golfers found the "Sobriety Check Point". Felonies and Misdemeanors were handed out to the golfers in the form of **Shots**. Vicki Courtney, Beth Dee, and Rebecca Land patrolled this hole.

There was a Cadillac sitting on hole #5 for one skilled golfer to win with a hole in one. Unfortunately no golfer sunk one this year, but there is always next year. Debbie and Roque Martinez, Tammi Hammond, Jamie Cline, and Jodi McClain Fisher worked this hole. They also served some delicious hoodlums. We want to thank Jack Kelsey for taking care of getting this arranged with the dealership for our tourney.

Hole #6 was the Tiki Bar hole with an opportunity to Pay it forward. This gave golfers the opportunity to hit their first shot 100 yards away from the green. This hole raised \$825 for our charities. Thanks to Mike and Erin Casillas, Amy Gray, Mandy Lee, Valerie Stogner, and Robbie Thames for managing this hole.

The volunteers on hole #8 were voted by the golfers as the "Best Golf Hole" award this year. Becky Eagan, Carol Jones, Lynn Scott, Neta Carrino, and Pamela Jones. They offered golfers a cold towel on their neck and face which was a nice touch on this very hot day. Addam Coble won the closest to the pin on this hole.

Drinko Plinko was the theme of hole #9.

George and Carla McMillen and Jorja and Kristen Vermillion did an excellent job of providing rubber putter instructions, providing drinks, and managing the rubber putter hole. Drinko Plinko was also very entertaining. They were one of our top two holes raising \$899 for our tournament charities.

Hole #12 was the shot ski hole managed by Lori Denny, Ashley Denny, Gina Anderson, and Shelly Brown. They also displayed the Mark Denny Tournament Dedication Banner.

Katy Spetter, Moo Devasher, and Amy Kerrian, and Anne Bell provided those dangerous *Hurricanes* at Hole #17. This was a closest to the pin hole which John Day won.

A **BIG THANK YOU** to all the volunteers! Without **YOU**, this golf tournament would not be possible. You did an amazing job of raising money at your holes this year. **WOW!** Also, a special thanks to Jodie Rogers for managing the silent auction. We will ended-up making about \$2,170 on the silent auction.

John Hedge, Kellie Heflin, Cindy Kramer, and George Rice did an awesome job with lunch this year. The pulled pork sandwiches, chips, and cookies were a big hit. Thanks for taking care of our lunch. Everyone definitely appreciated it.

We also cannot forget to thank Jan Wollenschlager for taking care of our Volunteers throughout the day. Making sure they had everything they needed, food, beverages, and most of all making sure they got bathroom breaks. Nice job ladies!

We had 35 golf teams this year. The golfers seemed to enjoy themselves despite the heat and the seven hour round of golf. Thanks to all the golfers who supported our volunteers' hard work with their donations throughout the day. All money will be going to our tournament charities T CPA and Special Olympics.

The first place Sandbaggers' trophy went to Leslie Day's team with a score of 53. And the biggest winners of the day, for the beloved 13<sup>th</sup> place trophy, was actually a tie. However with the help of the golf pro, the tie breaker went into effect and Susan Baxter's team won with a score of 62.

The best decorated golf cart this year went to Vicki Eberle and Kathleen Watts for their brightly decorated cart.

Thanks for all who sponsored holes and those who helped get hole sponsors. We had 29 hole sponsors this year.

In the end, we had many Parrot Heads who really helped out this year and the President really appreciated **EVERYONES** help!

**And now, drum roll please.....**

Figures are still coming in, but it looks like we will raise over **\$14,000** this year. A check will be presented to T CPA and **Special Olympics** at the **Boley Bash** on Aug 10<sup>th</sup>.

**AND, from all T PHC members, a great big THANK YOU and Job Well Done to Cathy Boley our President and Golf Tourney Chairman for another great Phlocking at the Phort!!**

# Trop Rock River Phlock

# ATTITUDE OF GRATITUDE

An interview with **Moe Hogan**. Submitted by **Don Jones**

**T**he member I interviewed for July is our own **Moe Hogan**. He and wife Pat have been very active in our club for quite sometime.

**Tell us a bit about yourself. Where were you born and raised? Where did you attend School? Career and Occupation? Tell us about your family.** I am a native Tulsan. I attended East Central grades 1 through 12, when it was an independent school. I grew up on Route 66. My dad was a rodeo clown and he ran a lumber yard. Growing up, I had all the boards and nails I wanted and a mule to ride on Sunday.

I attended graduate school at Northeastern State in Tahlequah and I coached and taught for seventeen (17) years in Tulsa at Central, Nathan Hale, and East Central. I was in the property and casualty insurance business for thirty-six (36) years until our retirement this past January. My wife Pat and I have lived in Owasso since 1978 and are in the process of moving to Berryhill.

**How long have you been a Parrot Head? Who or what got you involved with the Parrot Heads?** I cannot really remember when, but I am pretty sure Moby Dick was just a minnow. It was when we met downtown. Moo actually got us interested in the club.

**Tell us a bit about yourself. Where were you “born and raised?” What high school? College? What is your “real” job?** I was born in Wichita, KS. My dad was transferred often with his company. I went to eleven elementary schools before we settled in Tulsa during 7<sup>th</sup> grade. I attended Hale High School before I graduated from Tulsa Community College (TCC.) I am an insurance

agent and I truly enjoy my career.

**How many Buffett concerts have you attended? Which one is your favorite?** I think I have attended about seven or eight Buffett concerts. I think our favorite was the first one we attended at Chicago Land.

**What is your favorite Buffett tune or tunes?** My Favorite Buffett tune is 5 O'clock Somewhere, and it is a code we try to live by.

**If there was suddenly no Buffett or Trop Rock music, what type of music might we find on your playlist?** You would find Elvis and George Strait on my playlist.

**Of all the TPHC activities, which one is your favorite? And why?** The bus trip we took to Eureka Springs where we got the bus stuck on the mountain was our favorite. The why is only obvious if you were there.

**So what do you like to do to chillax?** I enjoy playing both video and live poker.

**What is one or two things that most Parrot Heads don't know about you?** My real name is John and I like Chic Flicks.

**Now for a goofy question. If you could have a super power, what would it be?** I would love to be Invisible.

**Any closing remarks?** It's 5 O'clock Somewhere. Let's get started!

**The next time you see Moe, give him a big hug and a big thank you for his long time support of the Tulsa Parrot Heads. Phins Up!**

## PARROTVILLE AND SUMMER SOLSTICE

By: Don Jones

What do you do on a nice sunny Wednesday in June when you are in the mood for some Buffett type music? You hop in the car and motor your way up the turnpike to Branson, Missouri. A group of Tulsa Parrot Heads did just that. The first half of the entourage arrived in Branson and after some Mexican food and a few

Margaritas, they convened at the Jim Stafford theater to see Parrotville which was described as a Jimmy Buffett tribute show. Thanks to Eric Babin and Radio Trop Rock, we joined a group of Parrotheads from Lower Alabama, and other fans for an evening of musical entertainment. Our host for the evening assured us that members of Parrotville did not look like or sound like Buffett and being from the Ozarks, they wore shoes. Members of this troupe were all long time entertainers from the Branson area and were excellent musicians and vocalists. One of our own even became a very active audience participant. During the intermission, the Tiki bar was open complete with Landsharks and margaritas. No Buffett show would be complete without Volcano

and a conga line led by yours truly.

The next morning we invaded Branson Landing for lunch at Landshark Landing Bar and Grill followed by a little shopping and liquid libation. The second part of our Trop Rock Trip was the Summer Solstice Trop Rock Fest hosted by Rick Lamb and friends at Rock Lane Resort out on Table Rock Lake. There were some 18 artists or acts scheduled for this four day event. The music began at 5:00 p.m. on Thursday and concluded in the rain Sunday afternoon.

The list of artists is too long to include so talk to anyone that attended and they will tell you who their favorite was. Some of these musicians have been to Tulsa and have shared their talent with us (Rick Lamb and the Phin Addicts, Jerry Diaz and Mark Mireles, Cory Young and Jimmy Parrish). You will be able to see some of them at Trop Rock River Phlock in September.

The entire weekend was broadcast on Radio Trop Rock and if you had the right techno gear, you could listen to the entire weekend from the comfort of your condo. If the festival returns next year, you owe it to yourself to attend. Mark this weekend in June 2020. Phins Up!
